"Thank you for providing the best summer of my life!" - T.

Help us provide lasting camp memories.

Golden Lake Camp invites you to get involved in helping children and young people experience the best of summer.

Our Goal is \$75, 000

■ 2015 Donations (43%) ■ Needed to reach goal (57%)

Even a dollar will help! Golden Lake Camp is dedicated to ensuring that every child that wants to, can attend.

Having such affordable & subsidized registration fees is not cheap! Our finances only remain stable because of individual donations. There are vast benefits to attending camp: friendship, lasting memories, personal growth, leadership skills and faith development.

These experiences all should be able to access.

Yes! I want to help make affordable summer camp possible.
